

June 5th, 2024

Dear Valued Customer,

Barricade Building Products is committed to offering high-quality products at competitive prices. Despite our ongoing efforts to improve efficiencies, the rising cost of wood fiber has impacted our production expenses.

To maintain our industry-leading quality and service, we will be adjusting the price of our ThermoBrace sheathing. This change will take effect on orders placed July 8th, 2024. We'll provide updated price sheets within the next few days.

As your valued partner, we aim to give you ample notice of any changes. Our commitment is to only implement price adjustments when absolutely necessary. We appreciate your continued trust in Barricade Building Products.

Sincerely,

A handwritten signature in black ink that reads "Darcy Overby". The signature is written in a cursive, flowing style.
